09.00 – 13.00 Uhr

Ort: Raum 001 (Augustenstr. 44-46)

Anmeldung: www.campus.tum.de
möglich ab 19.01.2012

Bemerkung: Die Teilnehmerzahl ist auf 25 Personen begrenzt.
What is the purpose of art? Is there a purpose? What does art have in common with design? We look at perception and interpretation, art as communication, censorship and symbolism in art, and experience the difficulty in reaching consensus when dealing with varied, and at times opposing, perspectives, goals and contextual situations. Course materials include audio recordings of contemporary artists speaking about their work, as well as academic and critical texts. Visit to museum planned.
