I participate in the course actively.

I prepare for the course actively and complete all homework.

I am satisfied with my progress in the course.

This course has helped me improve my communication skill in the language studied.

I would recommend this course to others.

- ... responds to questions.
- ... gives clear instructions
- ... explains new concepts clearly.
- ... displays interest in students' progress.
- ... motivates students to participate.

 \dots creates an enjoyable atmosphere conducive to learning.

The variety of classroom activities awakens my interest and helps me attain my learning goals.

I feel the difficulty of the work is appropriate.

The speed at which the course progresses is just right.

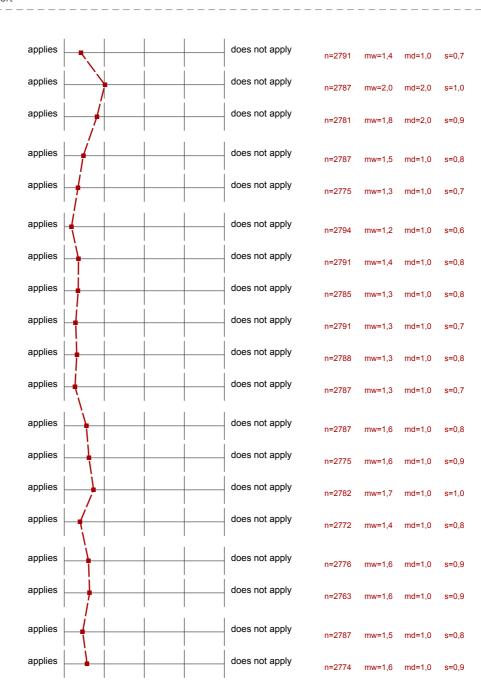

The variety of teaching methods (small group work, exercises, etc) provides enough opportunities for me to participate actively during the course.

The textbook / handouts are useful.

The variety of the materials (videos, online material, worksheets, etc.) makes the course more interesting.

The classroom is suitable for this course.

The technical equipment is suitable.
