

Group 2a and 2b: Program start in winter semester 2017/18

One week before the start of the semester, all program participants will be invited to a welcome event, where they will receive an introduction to the program. They will also take part in a full-day intercultural seminar to prepare themselves for their studies in Germany.

Starting date Nov. 2, 2017: You will participate in an A1.1 or A1.2 course ([CEFR](#)) on two evenings per week for eight weeks. After a break during the Christmas season and a revision week, you will take the A1.1 or A1.2 exam in January. During the lecture free period, you will participate in an A1.2 or A2.1 level course in the evenings.

During the **summer semester 2018**, you will complete levels A2.1 plus A2.2 or A2.2. There will be no courses in August and September.

Directly prior to the start of the **winter semester 2018/19**, you will complete level B1.1 in two weeks in the mornings. You will then continue with level B1.2 for 15 weeks during the semester in the evenings. All German courses require an end term exam at the end of each course. Courses during the semester additionally have a mid term exam.

The program ends with another full-day intercultural training during the semester break, in which you will have the opportunity to reflect upon your life and experiences in Germany up to that point. Additionally, you have the option to participate in a "Fit for the Job" seminar.

We are looking forward to your graduation ceremony in May 2019, where you will receive your certificates.
