

## Group 3a and 3b: Program start in winter semester 2018/19

One week before the start of the semester, all program participants will be invited to a welcome event, where they will receive an introduction to the program. They will also take part in a full-day intercultural seminar to prepare themselves for their studies in Germany.

**Starting date Oct. 22, 2018:** You will participate in an A1.1 or A1.2 course ([CEFR](#)) on two evenings per week. After a break during the Christmas season, you will take the A1.1 or A1.2 exam in February. During the lecture free period, you will participate in an A1.2 or A2.1 level course in the evenings.

During the **summer semester 2019**, you will complete levels A2.1 plus A2.2 or A2.2.

Directly prior to the start of the **winter semester 2019/20**, you will complete level B1.1. You will then continue with level B1.2 for 14 weeks during the semester in the evenings. All German courses require an end term exam at the end of each course. Courses during the semester additionally have a mid term exam.

The program ends with another full-day intercultural training during the semester break, in which you will have the opportunity to reflect upon your life and experiences in Germany up to that point. Additionally, you have the option to participate in a “Fit for the Job” seminar.

We are looking forward to your graduation ceremony in June 2020, where you will receive your certificates.
