Great Minds in Science and Technology:  
*Philosophy of Science C1*

**Winter Semester 2022-2023**

She blinded me with science....

In the course we will discuss –

- what is science?
- should it be trusted (and why)?
- how does science progress?

– by reading and discussing philosophy of science texts by Thomas Kuhn, Michael Strevens, Richard Feynman, Jim Al-Khalili – and Naomi Oreskes, among others.

The course meets Friday mornings at 8am via Zoom. Register on CAMPUSonline and join us!
